RE: Corrective Action Management Plan, NAVSTA Mayport

Dear David:

I have reviewed the subject document dated March, 1995 (received March 15, 1995) and offer the following comment: Table 3-2, referenced on page 3-5, does not contain all 56 SWMU's. Please make the necessary corrections.

The deliverable schedule, as revised, is reasonable, and other than the above comment, the CAMP is acceptable. If you have questions or require further clarification, please contact me at (904) 488-3935.

Sincerely,

James H. Cason
Remedial Project Manager
