Subj: EXTENSION REQUEST FOR REPORT
SUBMITTAL, NAVAL STATION
MAYPORT PERMIT FL9 170 024 260

Dear Mr. Johnston:

In accordance with our HSWA Permit #FL9 170 024 260, Naval Station Mayport (NAVSTA) requests an extension of the CAMP Completion Date for the Draft Group I RFI Report and Risk Assessment. The current completion date is June 23, 1995.

NAVSTA anticipates an approximate three to four week delay due to data management problems which arose during compilation of previous investigation data with the current investigation data. NAVSTA's IR Partnering Team will be meeting June 21, 1995, and has listed this as an Action Item to discuss and reach consensus on a final date of delivery.

If you have any further questions regarding this matter, NAVSTA's point of contact is Cheryl Mitchell, N4E4, at 904-270-6730.

Sincerely,

DOUGLAS P. TOMLINSON
Lieutenant Commander, CEC, U.S. Navy
Staff Civil Engineer
By direction of
the Commanding Officer
