RE: Review of Final Implementation Plan for NELP Technology Demonstration
of Low Temperature Thermal Desorption of Sludge and Soil at SWMUs 6
and 7, NAVSTA Mayport

Dear David:

I have reviewed the above named document dated February 1996 (received February 28, 1996). The report has adequately addressed my previous comments and fulfills its stated purpose. Please assure that a copy of the plan is placed in the public record.

Thank you for the opportunity to review this document. I look forward to the demonstration. If you have questions or require further clarification, please contact me at (904) 921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
