RE: Confirmation Assessment Letter Report for AOC "C", US Naval Station (NAVSTA),
Mayport, Florida

Dear Ms. Wilson:

I have reviewed the above document dated November 1999 (received November 8, 1999) and we have discussed it at the Partnering meeting earlier this month. The document is acceptable and I concur with the installation of three piezometers near Building 191 and the three deep monitoring wells.

If you need further clarification or any additional information, please feel free to contact me at 850-921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
