RE: Land Use Controls at SWMUs 14 and 15: US Naval Station (NAVSTA), Florida

Dear Ms. Wilson:

I have received the certified as-built drawings for SWMU 14 as part of the Completion Report for Interim Measures at Group III SWMUs 14, 23 and 24, dated June 1998 (received April 26, 1999) and for SWMU 15 in response to my request. Since those drawings document activities which are part of the Land Use Controls for those sites, I respectfully request that copies of those drawings be inserted into the portions of Land Use Control Memorandum of Agreement dealing with those particular sites. Uncertified copies (such as "Xerox" copies) of those drawings will be acceptable.

If you need further clarification or any additional information, please feel free to contact me at 850-921-4230.

Sincerely,

James H. Cason, P.G.  
Remedial Project Manager
