RE: Resource Conservation and Recovery Act (RCRA) Sampling and Analysis Plan for Solid Waste Management Units 6 & 7 (Revision 0); U.S. Naval Station, Mayport, Florida

Dear Ms. Wilson:

I have reviewed the above document dated February 2000 (received March 3, 2000). We have also discussed the work plan at the Partnering meeting on April 12. The document has been produced to implement the previously accepted Interim Measure Monitoring Plan originally produced by Harding Lawson Associates in June 1998. The document is acceptable.

If you need further clarification or any additional information, please feel free to contact me at 850-921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
