RE: Draft Treatability Study Evaluation Report for SWMUs 6 and 7, Naval Station Mayport,  
Mayport, Florida

Dear Ms. Wilson:

I have reviewed the above document dated May 2004 (received May 14, 2004). The document describes the evaluation of two additive materials and the geochemical nature of the site. We also discussed it at the last Partnering meeting. The document is acceptable. Please finalize it.

Thank you for the opportunity to review this document. If you require further clarification or other assistance, please contact me at 850-245-8999.

Sincerely,

James H. Cason, P.G.  
Remedial Program Manager
