RE: Work Plan Addendum 04: Additional Investigation at Building 46, Site 1330, Naval Station Mayport, Mayport, Florida

Dear Ms. Wilson:

I have reviewed the above document dated December 2005 (received December 16, 2005). The document furnishes a proposal for investigating the subsurface piping at the site. It is consistent with our recent Partnering meeting discussions and I concur with the proposed activities.

Thank you for the opportunity to review this document. If you require further clarification or other assistance, please contact me at 850-245-8999.

Sincerely,

James H. Cason, P.G.  
Remedial Program Manager
