**RE: Sampling Work Plan, Area of Concern D, Naval Station Mayport, USEPA ID #FL9
170 024 260, Mayport, Florida, (Tetra Tech NUS, Inc., September 2007)**

Dear Mr. Symes:

I have completed my review of the subject document which was dated September 2007 and was received on October 4, 2007. This letter is to acknowledge the Department's receipt of this report and to verify that the design of this work plan is acceptable to the Department. This Work Plan was designed to guide a soil assessment only at Area of Concern (AOC) D. The Department concurs with the document's stated objectives.

Thank you for the opportunity to review this document. If you require additional clarification or other assistance, please feel free to contact me at 850/245-8999.

Sincerely,

John Winters, P.G.
Remedial Project Manager
