**RE: Sampling and Analysis Plan - Field Sampling Plan and Quality Assurance
Project Plan, Site Assessment, Revision 1, Sites 4 and 5, Navy Fuel Depot/Fleet
Industrial Supply Center-Jacksonville, FDEP FAC ID #16-9502577,
Jacksonville, Florida (Tetra Tech NUS, Inc., August 17, 2011)**

Dear Mr. Syme:

I have reviewed the subject document which was dated August 17, 2011 and was received on August 18, 2011. This report was prepared under Contract Task Order Number JM 46. According to the document *"Tetra Tech NUS, Inc. (Tetra Tech) has prepared this Uniform Federal Policy Sampling and Analysis Plan (UFP-SAP) that encompasses Field Sampling Plan and Quality Assurance Project Plan requirements for a Site Assessment (SA) for U.S. Navy Fuel Depot - Sites 4 and 5 (Sites 4 and 5) at the Navy Fleet Industrial Supply Center (FISC) located in Jacksonville, Florida..."*

Also, this version of the UFP-SAP contains the completed signature page and some minor edits to typos following final review of the Draft UFP-SAP. I am in concurrence with Revision 1 of the Sampling and Analysis Plan for the Site Assessment at Sites 4 and 5.
