RE: Site Assessment Report Addendum, Tank Site 245, Naval Station Mayport,  
Mayport, FL

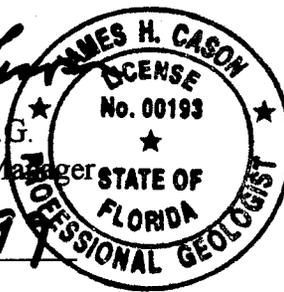

Dear Ms. Washington:

I have reviewed the above document dated September 8, 1999 (received September 16, 1999) and the original Contamination Assessment Report dated February 12, 1998 which was previously reviewed June 22, 1998. Information presented in the reports confirm that the requirements of Chapter 62-770.600, F.A.C. have been fulfilled. Please prepare a Remedial Action Plan (RAP) as provided in Chapter 62-770.700, F.A.C. which addresses the soil and ground water contamination at the site.

If further clarification is required or if you have any questions, please contact me at 850-921-4230.

Sincerely,

*James H. Cason*
