Naval Facilities Engineering Command Southeast  
Attn: Mr. Dana Hayworth OPC 6, Remedial Project Manager  
135 Ajax Street North, Building 903  
Naval Air Station Jacksonville  
Jacksonville, Florida 32212-0030

**RE: Final Site Assessment Report, Site 5 Located at the Navy Fuel Depot - Jacksonville, Naval Station Mayport, Facility ID# 16-8626008, USEPA ID #FL9 170 024 260, Mayport, Florida (Tetra Tech, June 12, 2013)**

Dear Mr. Hayworth:

I have reviewed the subject document dated June 12, 2013 which was received on June 13, 2013 and was completed under Contract Task Order JM46. In the Introduction section of this report it states "*Tetra Tech, Inc. was awarded a contract by the United States Navy, Naval Facilities Engineering Command to conduct a site assessment for Site 5 at the Fleet Logistics Center (FLC) Jacksonville – Navy Fuel Depot located in Jacksonville, Florida. Tasks included under the contract include the development of a Unified Federal Policy – Sampling and Analysis Plan (UFP-SAP), conducting a field investigation collecting site data, and preparing a Site Assessment Report (SAR) following Chapter 62-780.600, Florida Administrative Code (F.A.C.).*"

Based on my review of the data provided in this document, the Department believes the Site Assessment and Site Assessment Report have met the requirements of the Site Assessment Section in Chapter 62-780.600. Therefore, Department is in concurrence with the conclusions and recommendations presented in this Final Site Assessment Report. Please prepare the Remedial Action Plan (RAP) as is recommended in the document.

Thank you for the opportunity to review this document. If you require additional clarification, or other assistance, please feel free to contact me at 850/245-8999.

Sincerely,

John Winters, P.G.  
Remedial Project Manager  
Federal Programs Section
