**Uncontaminated Sites Listing**

Dear Mr. Clowes:

Enclosed is the updated Uncontaminated Sites List for NTC, Orlando. This list was originally prepared and submitted to the Navy in June 1994. The sites on the list represent those at NTC, Orlando that fit the CERFA definition of uncontaminated.

Wayne Hansel asked that you receive this list for concurrence prior to it being submitted to headquarters as final information. Please review and remove any sites that you believe do not belong on the list. Wayne has asked that you provide any comments to him by December 9, 1994.

Thank you for your attention to this matter on such short notice. If you have any questions, please call me at 904-269-7012.

Sincerely,

*Catherine Perry for*
