RE: In-Situ Chemical Oxidation Pilot Study Report, Naval
Training Center Orlando, Florida

Dear Mr. Hansel:

I have completed the review of the In-Situ Chemical Oxidation Pilot Study Report, Naval Training Center, Orlando, dated July 12, 2000 (received July 13, 2000), prepared and submitted by Harding Lawson Associates. The document presents the interim results through approximately the midpoint of the designed life of the pilot study. The document is suitable for its intended use. Please submit a final report with conclusions and recommendations at the conclusion of the pilot study.

If I can be of any further assistance with this matter, please contact me at (850)488-3693.

Sincerely,

David P. Grabka
Remedial Project Manager
