RE: Treatability Study Report No. 1, Study Area 2, Orlando Naval Training Center

Dear Mrs. Nwokike:

I have completed my review of the Treatability Study Report No. 1, Study Area 2, Orlando Naval Training Center, dated July 3, 2001 (received July 5, 2001), prepared and submitted by Tetra Tech NUS, Inc. The report adequately describes the ORC injection and the results from the first sampling event post ORC injection.

If I can be of any further assistance with this matter, please contact me at (850)921-9991.

Sincerely,

  
David P. Grabka  
Remedial Project Manager
