From: Commanding Officer, Naval Energy and Environmental Support Activity
 To: Commander, U.S. Naval Forces, Caribbean

Subj: FINAL BRIEFING OF INITIAL ASSESSMENT STUDIES CONDUCTED ON PUERTO RICO

1. The final draft Initial Assessment Study of Naval Station Roosevelt Roads, Puerto Rico (NEESA 13-051); final draft Initial Assessment Study of Naval Activities San Juan, Puerto Rico (NEESA 13-052); and final draft Initial Assessment Study of Naval Security Group Activity, Sabana Seca, and Naval Communications Station, Puerto Rico (NEESA 13-053) are being prepared by Greenleaf-Telesca, Inc. of Miami, Florida. Comments provided by reviews are being incorporated in the final draft. Upon completion of the final draft scheduled for 3 August 1984, a final briefing of the significant finding, conclusions, recommendations, and proposed schedule for confirmation study, if recommended, is scheduled. The briefing is designed to inform the commanding officer or his representatives of the overall report and plans for the confirmation study.
2. Request U. S. Naval Forces, Caribbean, provide a conference room with Kodak slide projector on 8 August for final briefing of each report. Typical final briefings generally are about 45 minutes duration per report. The three Initial Assessment Studies may be combined or discussed separately as you wish. Scheduled to attend briefing are Wallace Eakes and Robert Cantor from Naval Energy and Environmental Support Office (NAVENENVSA), Nancy Aungst and Dick Heiderstadt of Ecology and Environment, and Paul Rakowski and Jerry Wallmeyer of Atlantic Division, Naval Facilities Engineering Command.
3. NAVENENVSA point of contact for this matter is the undersigned, AUTOVON 360-3351, FTS 799-3351, or commercial 805-982-3351.
