Revised Addendum to OU 1, 6 and 7 RFI Report

Dear Mr. Gordon:

Transmitted under the cover of this letter are two copies of the Preliminary (Working Copy) of the Revised Addendum 1 to the OU 1, 6 and 7 RFI Report. This document has been revised in accordance with the EPA comments transmitted in your April 25, 1997 letter.

Please note, this is a "preliminary working copy" as we discussed during the joint interest group meeting in Puerto Rico. It is designed for your preliminary review with a subsequent discussion of your comments/concerns. The Navy will address any issues from your preliminary review and submit a formal revised document for full review.

We appreciate your cooperation in this matter. Please do not hesitate to call me at (412) 269-2065, if you have any questions.

Sincerely,
