Dear Mr. Theissen:

This is in regard to the Solid Waste Assessment Test (SWAT) requirements for our 1943-1956 Landfill which is located north of the West Beach Landfill. As discussed between R. Cate, Naval Air Station (NAS) Alameda and S. Richie of your office on 12 April 1988, we need your recommendation as to whether a SWAT is required for the 1943-1956 Landfill. If a SWAT is required for both landfills, we would like your concurrence with our plan to conduct one SWAT for both landfills. Please provide us with a written response by 13 May 1988.

The NAS Alameda point of contact is R. Cate, Code OLE, (415) 869-4731.

Sincerely,

R. B. STEIMER

Commanding Officer
