Attn: Mr. Ron Clayson

Gentlemen:

This letter provides a status report of the hazardous waste investigation currently underway at the Naval Air Station, Alameda, CA. as requested by Mr. Ron Clayson to Mr. Carl Schwab of this office in Nov. 1984.

Our contractor is conducting the verification phase of our confirmation study. The schedule instructs him to complete sampling by Jan. 1985. Sample analysis is to be completed by Feb. 1985. The Verification Report will be ready for your comments by the end of Mar. 1985. At that time we will be ready to continue with the characterization phase of our confirmation study which will result in recommendations for clean-up.

Questions on this letter can be directed to Carl Schwab at (415) 377-7493.

Sincerely,
