Alameda, CA 94501-5000

Dear Captain Boennighousen:

HAZARD COMMUNICATION INFORMATION BULLETIN - NAS ALAMEDA

I have received the Hazard Communication Information Bulletin previously requested.

The Department's only comment regarding this Information Bulletin is to request that the Industrial Hygiene Office, NAVAVNDEPOT Alameda Safety Office and Environmental Officer each have a copy of the Public Health and Environmental Evaluation Plan (PHEEP).

The Department would also like to inquire on how and to whom these bulletins will be issued or where they will be posted.

I would like to take this opportunity to thank you for instituting this type of information package.

If you have any questions regarding NAS Alameda, please contact me at (415) 540-3724.

Sincerely,
