Dear Ms. Lew:

**AIR QUALITY ANALYSIS REPORT FOR RI/FS, ALAMEDA NAVAL AIR STATION  
(ANAS)**

The Department of Toxic Substances Control (DTSC) has reviewed the Navy's response dated September 29, 1992 to DTSC's comments on the Air Quality Analysis Report. DTSC hereby approves the report.

Please note that additional air sampling may be necessary during or prior to the evaluation of the Baseline Risk assessment. The Navy shall ensure that all applicable DTSC and Bay Area Air Quality Management District comments are addressed when conducting air sampling in the future.

If you have any questions, please call Virginia Lasky at (510) 540-3817.

Sincerely,

A handwritten signature in cursive script that reads "Virginia L. Lasky".
