1. Enclosure (1) includes substitute section pages for updating the Draft Final SWAT Report distributed September 1992. These inserts include responses to DTSC comments dated December 2, 1992 regarding the Draft Final SWAT Report, which is labelled as Section 12. In consideration of the size (thickness) of the draft final document, these inserts are being distributed in the spirit of conserving paper, and so as to not needlessly duplicate text pages that were not altered from draft final version. Also included are new cover pages, front and end plates, signatory page, and table of contents. These substitutions will finalize your draft final document as "Final."

2. Should you have any questions regarding these inserts or the "Final" document, the point of contact is Mr. Gary J. MuneKawa, Code T4E2GM, (415) 244-2524 or Mr. George Kikugawa, Code T4E2GK, (415) 244-2559.
