REMOVAL ACTION AT WEST HOUSING AREA**

Reference: Action Memorandum, July 14, 2003, for CERCLA Time-Critical Removal
Action at West Housing Area, Alameda Point, Alameda, California
FWSD-RAC-03-3217

Dear Mr. Weissenborn:

This Action Memorandum (AM) for the time-critical removal action (TCRA) was discussed during community meetings and through the Restoration Advisory Board (RAB). In compliance with the requirements of 40 Code of Federal Regulations (CFR), Parts 300.415(n) (2) and 300.820 (b), a public notice was issued that described the TCRA and the availability for review of the project Administrative Records and this AM. The public notice appeared in the *Oakland Tribune* and the *Alameda Times Star* on July 23, 2003. The AM was available for review through August 22, 2003. Upon completion of the public review period, the Base Realignment and Closure Environmental Coordinator, Mr. McClelland, received no comments. During the same time period, the AM was distributed to the U.S. Environmental Protection Agency (EPA) for review. No comments were received at the completion of their review.

The referenced document is considered as final.

Sincerely,

Abram Eloskof
Project Manager
