Dear Mr. Macchiarella:

EPA hereby requests a thirty (30) day extension for review of the Draft Feasibility Study Report for Operable Unit 1, Sites 6, 7, 8 and 16, Alameda Point. The request is made under the provisions allowed in Section 10.7 (b)(2) of the Federal Facilities Agreement for Alameda Naval Air Station. The regulatory agencies received the document on December 3, 2004 and, including the extra 30 day review period, will therefore submit comments to the Navy on March 3, 2005.

Thank you for accommodating this request. Please call me at (415) 972-3029 if you have any questions.

Sincerely,
