Dear Ms. Cook:

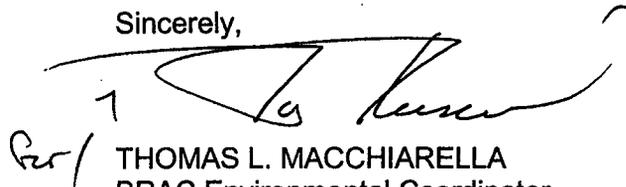

Subj: REQUEST FOR EXTENSION, OPERABLE UNIT 1, SITE 14 ADDENDUM TO THE  
FINAL FEASIBILITY STUDY REPORT, ALAMEDA POINT, ALAMEDA, CA

In accordance with the Alameda Naval Air Station Federal Facility Agreement, Section 14, the Navy is requesting a 16 day extension on the submittal date for the Operable Unit 1 (OU-1) Site 14 Addendum to the Final Feasibility Study (FS) Report.

Based on the Site Management Plan, of September 17, 2004, the OU-1, Site 14 Addendum to the Final FS was scheduled for submittal on December 3, 2004. Due to contractual issues, on December 2, 2004 the Navy requested an extension of the due date to February 1, 2005. On January 25, 2005, the Navy requested, via a telephone call to the Environmental Protection Agency, an extension to February 14, 2005. The extension was granted. Since then, the Navy has discovered that it will need an additional 16 days to complete the Site 14 Addendum, therefore, the Navy is formally requesting a 16 day extension of the February 14, 2005 submittal date. The reason that the extra time is needed is due to internal Navy coordination and additional comments, which need to be addressed. All due dates of future OU-1, Site 14 documents will now be delayed by 90 days.

If you have any questions or comments, please call Ms. Glenna Clark at (619) 532-0951 or Mr. Thomas Macchiarella at (619) 532-0907.

Sincerely,

THOMAS L. MACCHIARELLA  
BRAC Environmental Coordinator  
By direction of the Director
