Dear Ms. Cook:

Subj: SCHEDULE EXTENSION REQUEST FOR SITE 29 (SKEET RANGE), DRAFT RECORD OF DECISION, ALAMEDA POINT, ALAMEDA, CALIFORNIA

In accordance with the Alameda Naval Air Station Federal Facility Agreement (FFA), Section 14, the Navy is requesting extending the submittal date of the Draft Record of Decision (ROD) for Site 29 to April 20, 2005.

Based on the revised Site Management Plan, of February 15, 2005, the Site 29 Draft ROD was scheduled for submittal on February 15, 2005, prior to the finalization of the Proposed Plan (PP).

The delay in project schedule has been attributed to:

- Draft Proposed Plan comment period was 60 days instead of 30 days,
- SMP did not allow for agency review of the Draft Final PP prior to issuance to the public
- Public meeting date and the associated public comment period

The public comment period was from February 15, 2005 through March 18, 2005. The Navy is requesting to extend the due date of the Draft ROD to April 20, 2005. This extension would affect the schedule as follows:

- Draft ROD 60 day agency review period would end on - June 10, 2005
- Draft Final ROD and Response to Comments 60 days would end on - August 10, 2005
- Final ROD 30 day agency review and concurrence period - September 12, 2005

The Navy requests the EPA grant the time extension in accordance with the Alameda NAS FFA Section 14.

If you have any questions or comments, please contact Mr. Darren Newton at (619) 532-0963 or call Mr. Thomas Macchiarella at (619) 532-0907.

Sincerely,

THOMAS L. MACCHIARELLA
BRAC Environmental Coordinator
