Dear Mr. Macchiarella:

EPA hereby requests a fourteen (14) day extension for review of the Draft Proposed Plan for Operable Unit 1, Sites 6, 7, 8 and 16, Alameda Point, as per my e-mail to you of November 25, 2005. The request is made under the provisions allowed in Section 10.7 (b)(2) of the Federal Facilities Agreement for Alameda Naval Air Station. The regulatory agencies received the document on October 28, 2005 and, including the extra 14 day review period, will therefore submit comments to the Navy on December 12, 2005.

Thank you for accommodating this request. Please call me at (415) 972-3029 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Anna Marie Cook".
