Dear Mr. Macchiarella:

EPA hereby requests a thirty (30) day extension for review of the Draft Soil Feasibility Study Report for IR Site 30, and the Draft Remedial Investigation Report for IR Site 31, Alameda Point. The request is made under the provisions allowed in Section 10.7 (b)(2) of the Federal Facilities Agreement for Alameda Naval Air Station. The regulatory agencies received the documents on April 24, 2006 and, including the extra 30 day review period, will therefore submit comments to the Navy on July 23, 2006.

Thank you for accommodating this request. Please call me at (415) 972-3029 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Anna-Marie Cook".
