**Re: Review of the Draft Final Remedial Investigation Report, IR Site 32,  
Alameda Point, Alameda, California, March 2007**

Dear Mr. Macchiarella:

The U.S. Environmental Protection Agency (EPA) Region 9 has received the Draft Final Remedial Investigation (RI) Report, IR Site 32, Alameda Point, Alameda, California, dated March 8, 2007. We have reviewed the aforementioned document and the Navy's responses to EPA's review comments on the Draft RI Report. All responses appear to address EPA's review comments adequately and changes have been incorporated into the Draft Final RI Report. Therefore, we have no further comments on Draft Final RI Report for IR Site 32.

If there are any questions, please feel free to contact me at (415) 972-3002.

Sincerely,
