Oakland, CA 94612

Dear Ms. Cook, Ms. Lofstrom, and Ms. Huang:

I am pleased to submit to you the *Draft Record of Decision, Operable Unit 5/IR-02 Groundwater, Former Naval Air Station Alameda and Fleet and Industrial Supply Center Oakland, Alameda Facility/Alameda Annex, Alameda, California* dated September 2006. This Draft Record of Decision (ROD) documents the remedy for OU-5/IR-02 groundwater and summarizes results of the remedial investigation/feasibility study. Please submit your comments by November 10, 2006.

In accordance with the written agreement with Mr. Tony Landis, groundwater beneath portions of FISCA that are within this plume are being handled as part of the OU-5 ROD, under the former NAS Alameda Federal Facility Agreement (FFA). Accordingly, the Navy looks forward to review and comments from the Department of Toxic Substances Control FFA Project Manager on this ROD.

If you have any questions, please call Ms. Mary Parker, Project Manager, at 619-532-0945, or me at (619) 532-0907.

Sincerely,

THOMAS L. MACCHIARELLA
BRAC Environmental Coordinator
By direction of the Director
