Dear Mr. McClelland:

The 45 day public comment period for the Alameda NAS Federal Facility Agreement ended on September 10, 2001. Please find enclosed copies of the comments we received on the Agreement from the Alameda Restoration Advisory Board, the Golden Gate Audubon Society and the City of Alameda. The EPA and the Navy have 30 days from Navy receipt of this letter and enclosed comments to decide on a responsiveness summary and whether any modifications to the Agreement are necessary.

I look forward to working with you in responding to the public's comments and addressing the concerns raised in the letters.

Sincerely,

A handwritten signature in cursive script that reads "Anna-Marie Cook".

Anna-Marie Cook
Remedial Project Manager
