Dear Mr. Chicca:

This is in response to your letter of September 27, 1988 requesting the use of U.S. Navy Crow's Landing Fire Fighting Training Facility Site to demonstrate Weston's Mobile Low Temperature Thermal Treatment (LT<sup>3</sup>) system evaluation (Reference: Grant No. 87-T0158).

The Department of Health Services (DHS) hereby approves your formal request to use aforementioned facility to demonstrate Weston's LT<sup>3</sup> technology. However, by this approval, the DHS share of grant amount \$80,000 and Scope of Work must remain the same as it was outlined in your grant manual and our grant agreement. As we have discussed, any additional permit requirements resulting from this change in site will be the responsibility of Weston.

Should you have any questions, please feel free to contact me at (916) 322-0489.

Sincerely,

A handwritten signature in black ink that reads "Arvind J. Shah".
