Subj: SITE INVESTIGATION AT NAVAL AUXILIARY LANDING FIELD, CROWS LANDING, CA

Encl: (1) Site Investigation at Naval Auxiliary Landing Field, Crows Landing,
Fire Fighting School, Crows Landing, California

1. Enclosure (1) is a site investigation report for the Naval Auxiliary Landing Field (NALF), Crows Landing, fire fighting school. The report characterizes the extent of contamination at the site and provides recommendations on soil removal.

2. The NALF Crows Landing fire fighting school is the proposed site for a California Department of Health Services demonstration project utilizing a new soil remediation technology developed by Roy F. Weston, Inc. The demonstration is scheduled to begin in late February 1989. Since clean-up levels must be established prior to the finalization of the work plan and onset of field work, we request your comments on the report by December 6, 1988.

3. Comments should be forwarded to Commander, Western Division, Naval Facilities Engineering Command (Attn: Ms. Kathy Nakazawa, Code 1811KN, (415) 877-7502).
