Dear Ms. Nakazawa:

RE: Naval Auxiliary Landing Field, Crows Landing, Ca

I recently received a copy of a letter dated May 24, 1989 from Paul Marshall, RWQCB. The letter was in regards to the status of proposed cleanup at the above mentioned facility and signed by Louise T. Lew, Head, NPL Section.

Our agency has a interest in all site mitigation project involving hazardous waste within our county boundaries. I would appreciate being placed on your mailing list to receive all correspondents from the Navy Department or you consultants in regards to the project.
