REQUEST FOR SCHEDULE, NATIONAL AERONAUTICS AND SPACE ADMINISTRATION (NASA), CROWS LANDING FLIGHT FACILITY, CROWS LANDING, CALIFORNIA

We were first informed by the Navy on May 24, 2000 that a new Navy technical team based in San Diego would transition into the project. Since that date, the Navy has not provided the regulatory agencies with a detailed schedule for all activities and documents, even after repeated requests by the Regional Water Quality Control Board and others for that schedule. We request that the Navy provide a detailed schedule for the entire project as soon as possible, and no later than November 30, 2000.

If you have any questions please contact me at (916) 255-3050 or bartonj@rb5s.swrcb.ca.gov.

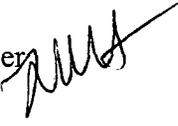

James L. Barton, R.G.

Associate Engineering Geologist

cc: Francesca D Onofrio – CALEPA-DTSC
Lynn Hornacker – US Navy SWDIV
Jim Simpson – Stanislaus County DER
