## Public Notice

### U.S. Navy Releases Action Memorandum NASA Crows Landing Flight Facility

The Navy has released an Action Memorandum announcing a time-critical removal action for extraction of contaminated groundwater at NASA Crows Landing Flight Facility, California. The Navy invites the public to review and comment on the planned activities described in the Action Memorandum that has been prepared in accordance with the requirements of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). The Action Memorandum is available at the Stanislaus County Library, Patterson Branch on 46 North Salado, Patterson, California. The administrative record for this action is available for review through 17 January 2001.
