Subject: Notification of Planned Drilling Activities for Groundwater Remediation
Demonstration Project at NASA Crows Landing Flight Facility

Hello Dale and Dane,

The purpose of this message is to provide advance notification of our planned drilling activities for the groundwater remediation demonstration project at NASA Crows Landing Flight Facility. The RWQCB letter dated 6 June 2003 requested 24-hour advance notification of planned field activities.

We plan to begin drilling on 11 August 2003, and drilling activities are anticipated to require approximately one week.

If you would like to visit the site to observe drilling activities, please do not hesitate to contact Eddie Ramirez (Shaw/Navy Contractor) or Don Tillery (Shaw/Navy Contractor) at the Crows Landing field office at (209) 837-0419 or (209) 837-0416 or Bob Hulet (Shaw/Navy Contractor) in Concord at (925) 288-2162 to coordinate the scheduling of the visit.

Please do not hesitate to contact me at (619) 532-0783 if you have questions pertaining to this notification. Thank you very much.
