### TRANSMITTAL OF 22 JULY 2003, FORMER DOMESTIC WATER SUPPLY WELLS, 6S/8E-20A1 AND 6S/8E-20H1, NASA CROWS LANDING FLIGHT FACILITY, CROWS LANDING, STANISLAUS COUNTY

We have received your 22 July 2003 transmittal regarding the abandonment of two domestic water supply wells (6S/8E-20A1 and 6S/8E-20H1) located on the NASA Crows Landing Flight Facility property. A 16 July 2003 subsurface investigation using a backhoe located both of the wells in question. Both wells appear to have been destroyed and abandoned as evidenced by the grout plugs discovered at each well location at approximately four to five feet below grade. As such, your recommendation for no further action regarding each of the wells appears appropriate.

If you have any questions, please contact Greg Issinghoff at (559) 488-4390.
