G. Scott Hubbard, Director
NASA Ames Research Center
Moffett Field, CA 94035-1000

Dear Mr. Hubbard:

Thank you for your letter dated July 22, 2004. Your request for Stanislaus County to support a change in the legislative jurisdiction of those portions of the NASA Crows Landing Flight Facility that are designated as "partial" legislative jurisdiction to proprietorial legislative jurisdiction have been discussed with Stanislaus County Sheriff Les Weidman. The Sheriff and I support this change. It is our understanding that with this change the County will have law enforcement authority over the entire 1,528 acres of the NASA Crows Landing Flight Facility. This, in essence, means the County will have clear jurisdiction to enforce criminal and other laws of the State of California that have not applied to the Federal government. I hope this letter, with the Sheriff and my signature, meets the requirements of the State Land Commission and that the legislative jurisdiction will be changed as you requested.

Thank you for the opportunity to support this change.

Sincerely,

Chairman Paul W. Caruso
Stanislaus County Board of Supervisors

Sheriff Les Weidman
Stanislaus County
