Evening Session

(The following comments were made on
the record:)

MR. JEFF KOEPKE: After talking with the
technical people, a paralegal who's been doing the
analysis for perchlorates in the soil, I'd like to
see the results of analyses for perchlorates before
a decision is made with what to do with the soil in
those areas.

(The Public Meeting concluded at
7:30 p.m.)
