February 13, 1991.

Mr. Larry Nuzum, Remedial  
Project Manager  
Southwest Division  
Naval Facilities Engineering Command  
1220 Pacific Highway  
San Diego, CA 92132-5190

Dear Mr. Nuzum:

RESPONSE TO PUBLIC COMMENTS CONCERNING MARINE CORPS AIR STATION EL TORO  
FEDERAL FACILITY AGREEMENT.

The Department of Health Services/Toxic Substances Control Program (Department) received via fax the response to public comments concerning Marine Corps Air Station (MCAS), El Toro Federal Facility Agreement, on January 30, 1991. The Department has reviewed the document and found the responses to specific comments adequate.

Sincerely,

A handwritten signature in cursive script that reads "Manny Alonzo".

Manny Alonzo  
Associate Hazardous Materials  
Specialist  
Site Mitigation Branch
