Encl: (1) Verification Step Plan of Action

1. Enclosed is a copy of the Plan of Action (POA) our contractor, James M. Montgomery Consulting Engineers, intends to follow while investigating sites listed in the Initial Assessment Study (IAS) for the Marine Corps Air Stations at El Toro and Tustin. The POA also includes the five (5) sites we agreed to add during our meeting with the Department of Health Services and Regional Water Quality Control Board, Santa Ana Region, on 4 November 1986.

2. We have scheduled a meeting for 1400 on 27 April 1988 to discuss our POA and your questions or comments. To provide adequate time for us to respond to your comments they must be received by 15 April 1988. Please forward your written comments to:

Ernest Cerini
Officer in Charge of Construction, Southwest
1220 Pacific Highway, Bldg. 131
San Diego, California 92132-5190

3. Verbal comments are not acceptable. Lack of a written response by the deadline date will be interpreted to mean you concur with our POA.

4. If you have any questions, please contact Mr. Ernest Cerini at (619) 696-5461.
