MARINE CORPS AIR STATION EL TORO
42nd Restoration Advisory Board Meeting

◆ ◆ ◆
Wednesday, December 1, 1999
6:30-9:00 p.m.

Irvine City Hall
Conference and Training Center
One Civic Center Plaza, Irvine

The Restoration Advisory Board (RAB) is composed of concerned citizens and government representatives involved in the environmental cleanup program at the MCAS El Toro. Community participation and input is important and appreciated. This meeting will feature the following activities and presentations:

- Update on Closure and Removal of Underground Storage Tanks
- Overview of the federal Comprehensive Environmental Response, Conservation and Liability Act (CERCLA) as it pertains to the Installation Restoration Program
- Brief Status Update on Groundwater Cleanup (solvent-contaminated water) and the Irvine Desalter Project
- Brief Status Update on Draft Historical Radiological Assessment Survey at the Air Station and Determination of "Background" Sources

◆ ◆ ◆
For more information about this meeting and the Installation Restoration Program at the MCAS El Toro, please contact: Base Realignment and Closure
