Dear Ms. Rashidi-Fard:

We are requesting permanent closure of Underground Storage Tank Site 568 at the Marine Corps Air Station, El Toro. The tank was removed on 8 March 2000, and confirmation sampling was conducted in accordance with instructions from OCHCA. We believe that the results of the sampling activities will satisfy OCHCA that no remedial actions are necessary.

The tank removal report is presented as an attachment to this letter. If you have questions, please do not hesitate to call me at (619) 532-0784 or Ms. Lynn Hornecker at (619) 532-0783.

Sincerely,
