COMMENTS ON SUMMARY REPORT, AERIAL PHOTOGRAPH ANOMALY 44, AERIAL PHOTOGRAPH ANOMALY PROGRAM, FORMER MARINE CORPS AIR STATION, EL TORO

Dear Mr. Gould:

We have completed our review of the above referenced document, dated November 3, 2000, which we received on November 13, 2000. We understand that the three identified principle debris anomaly areas within APHO 44, and other similar debris areas in proximity to Site 17, will be consolidated into Site 17 during the remedial action of consolidation and landfill closure. Therefore, we concur with no further action for APHO 44 under the Aerial Photograph Anomaly Program.

For any questions on this matter, please call me at (909) 782-4498.

Sincerely,

John Broderick
SLIC/DoD/AGT Section
