Dear Ms. Arthur:

NATURAL RESOURCES TRUSTEE NOTIFICANTS FOR THE STATE OF CALIFORNIA
FOR EL TORO MARINE CORPS AIR STATION (MCASET)

The El Toro Remedial Project Manager's meeting, held in Bechtel's offices in San Diego on August 12, 1994, generated many issues, one of which was who is the correct Natural Resources Trustee for the State of California? This is a follow-up to that query, please share this with all the interested parties.

The Natural Resources Trustees for the State of California are the Agency Secretaries of the California Environmental Protection Agency (CAL EPA) and the State Resources Agency (SRA). All the Departments, Boards and Commissions have been sub-delegated from these two Agencies as the State Trustees to oversee natural resources which are within their respective jurisdictions. For notification purposes, please send them to the following addresses:

Environmental Protection Agency, California
James M. Strock, Secretary
555 Capitol Mall, Suites 235 and 525
Sacramento, California 95814

Resources Agency, California
Douglas P. Wheeler, Secretary
1416 Ninth Street, Room 1311
Sacramento, California 95814

This will ensure that the appropriate Departments, Boards and Commissions are notified in a timely manner.

Ms. Bonnie Arthur
