Dear Mr. Raines:

TRANSMITTAL LETTER, MARINE CORPS AIR STATION (MCAS) EL TORO

In a letter dated May 17, 1994, the California Department of Toxic Substances Control (DTSC) approved, with modifications, the **Final RCRA Facility Assessment (RFA) Report** for MCAS El Toro. Enclosed, please find a revised version of the approval with modifications letter with the following correction.

On page 3, Solid Waste Management Unit/Area of Concern (SWMU/AOC) 231 is correctly identified as underground storage tank (UST) 800-E. In our original letter, SWMU/AOC 231 was incorrectly identified as UST 899-E.

In addition, please note that the revised version of our approval with modifications letter has been changed to indicate that SWMU/AOC 20 (UST T-C) is also known as UST 414-C (see page 2).

Please replace our original approval with modifications letter with the following revised version.

Sincerely,

Albert A. Arellano, Jr., P.E.
