SUBJECT: RFA Sites Requiring Evaluation During the DQO Process
MCAS El Toro RI/FS Phase I
Document Control #CLE-C01-01F145-G2-0158

This memorandum provides a list of sites (SWMUs and AOCs) that were not investigated during the RCRA Facility Assessment (RFA) at Marine Corps Air Station (MCAS) El Toro, because they are located within or near the boundaries of Remedial Investigation (RI) sites. These sites were not investigated during Phase I of the RI. However, they will be evaluated for possible investigation in Phase II during the Data Quality Objectives (DQOs) process.

The following table summarizes the number, type and location of each RFA site included in the RI/FS sites:
