RE: Marine Corps Air Station El Toro
Tanks #850A, 850B and Oil/Water Separator 850E
Santa Ana, CA 92709

Dear Ms. Hannon:

Due to the detection of soil contamination in samples collected from beneath the tanks and the oil/water separator areas during tank removal activities at the above referenced site, this Agency is referring the case to you for assessment and remediation oversight. It is this Agency's understanding that a copy of the tank closure report documenting the removal and results of all soil sampling will be forwarded to your Agency.

If you have any questions or require any further information, please contact me at (714) 667-3713.

Sincerely,

Arghavan Rashidi-Fard
