MCAS EL TORO
SSIC # 5090.3

DATE: September 18, 1995
TO: Andy Piazkin/SWDIV
FROM: Roy Herndon
SUBJECT: Upcoming OCWD/DON Meeting

As a follow-up to our phone conversation, I wanted to reiterate OCWD's desire to establish a meeting date for the second week of October. As this is only three weeks away, and other items are beginning to encroach upon this week, we would like to reserve a date/time for us to get together to discuss the OU-1 Feasibility Study alternatives and costs. Please let us know possible days that are acceptable and where you would like to meet.
